## Families Making the Connection

**\*Menu subject to change.**

### Celebrate #NCFarmers from the Mountains to the Sea!

In 2023, the North Carolina General Assembly established the second Thursday in November as N.C. Farmers Appreciation Day as an opportunity to thank all our farmers and farm families. The inaugural event is November 14, 2024.

North Carolina is rich in agriculture from the mountains to the sea. The farmers that produce food, fiber, and fuel in our state do so with heart and pride. Learn more and find resources to celebrate our farmers and all they produce at <https://www.ncfarmerappreciation.com>. Recognize and thank #NCFarmers on social media using #NCFarmersAppreciationDay and #FromMountaintoSea. Tag @NCFarmersAppreciationDay.

- Agriculture is North Carolina's #1 industry with an economic impact of over \$100 billion dollars annually.
- There are 74,062 farmers and 46,000 farms in the state. 1,827 are centennial farms and 27 are bicentennial.
- N.C. ranks 3<sup>rd</sup> for agriculture diversity and is a top producer of sweetpotatoes, cucumbers, eggs, poultry, pork, and more.
- Most North Carolina schools participate in farm to school activities and serve locally grown foods in school meals.
