Taste & Learn About Local Produce

*Menu subject to change.

Did you know you can find North Carolina-grown products in grocery stores, farmers markets, roadside stands, and schools across the state? "Goodness Grows in North Carolina"!

For National Fruits & Veggies Month in September and Farm to School and Early Care and Education Month in October, plan to participate in the N.C. Crunch. The N.C. Crunch is an opportunity for youth and adults to taste and learn about North Carolina-grown fruits and veggies with their schools, early care and education centers, organizations, and

families. Everyone can participate! Share photos on social media of you tasting and learning about N.C. produce using #NCCrunch. **Nutrilink:** Learn more and sign up at <https://growing-minds.org/north-carolina-crunch>. Receive a free guide with tips, templates, and links to resources.

The N.C. Crunch is also an opportunity to recognize all those involved in feeding our youth and communities—farmers, distributors, school nutrition professionals, transportation professionals and more. Let's thank our dedicated #FarmtoSchoolHeroes across the state!
